Dear Sir/ Madam,

Subject: Clarification / Confirmation on news item appearing in "https://economictimes.indiatimes.com"

Ref: Your email ref. no. L/SURV/ONL/RV/AA/ (2025-2026)/ 83 dated November 12, 2025

This is in response to your email dated November 12, 2025 in relation to the news item which appeared in the website "https://economictimes.indiatimes. com" on November 12, 2025 regarding "Adani plans India's biggest battery storage in Gujarat"

In this regard, it may be noted that Battery Energy Storage Systems ("BESS") are being developed under the Adani Group's integrated utility platform, which includes Adani Green Energy Limited ("AGEL"), Adani Energy Solutions Limited ("AESL") and Adani Power Limited ("APL").

AGEL will lead the implementation of Adani's first BESS project, with a capacity of 1,126 MW / 3,530 MWh. However, there is no event which triggers any disclosure requirements for the same, under the applicable regulations.

Given the integration with transmission and distribution assets, and the transformative potential of BESS for the grid and power sector, the Adani Group, in the future, will evaluate opportunities for AESL and APL to contribute their expertise and add value to this initiative as part of AGEL's 50 GW renewable energy roadmap by 2030.

The role of the above-mentioned companies will be detailed in the necessary disclosures made by the respective entities for future BESS projects, as and when the same becomes the disclosable event under the applicable regulations.

Adani Green Energy Limited
