To

Board of Directors of Adani Green Energy Limited

We have audited the accompanying consolidated annual financial results of Adani Green Energy Limited ('the Holding Company'), its subsidiaries (collectively referred to as 'the Group') and its joint venture for the year ended 31 March 2019 (the 'consolidated annual financial results'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these standalone annual financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

These consolidated annual financial results include the financial statements / financial information of 33 subsidiaries reflecting total assets of Rs. 570,919.67 Lakhs as at 31 March 2019 and total revenues of Rs. 59,029.19 Lakhs for the year ended on that date. These financial statements / financial information have been audited by one of the joint auditors, Dharmesh Parikh & Co., Chartered Accountants, whose reports have been furnished to us by the Management and our opinion on the consolidated annual financial results, to the extent they have been derived from such financial statements / financial information is based solely on the reports of one of the joint auditors, Dharmesh Parikh & Co., Chartered Accountants.

We did not audit the financial statements / financial information of 6 subsidiaries included in the consolidated annual financial results, whose financial statements / financial information reflect total assets of Rs. 11,390.65 Lakhs as at 31 March 2019 as well as the total revenue of NIL for the year ended on that date. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such financial statements / financial information is based solely on the reports of such other auditors.

Independent Auditors' Report on Consolidated Annual Financial Results of Adani Green Energy Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (continued)

These subsidiaries are located outside India whose financial statements / financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's Management has converted the financial statements / financial information of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's Management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the Management and audited by us.

These consolidated annual financial results also include the Group's share of net loss (and other comprehensive income) of Rs. 356.37 Lakhs for the year ended 31 March, 2019, in respect of a joint venture whose financial statements / financial information have not been audited by us. These financial statements / financial information have been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated annual financial results, to the extent they have been derived from such financial statements / financial information is based solely on the report of the other auditors.

The consolidated financial results of the Group for the period 1 April 2017 to 31 December 2017, used for the purposes of presenting the figures for the quarter ended 31 March 2018, have been reviewed by one of the joint auditors, Dharmesh Parikh & Co., Chartered Accountants, whose report dated 31 January 2019, have expressed an unmodified conclusion on those consolidated financial results and those had not been subjected to audit.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of one of the joint auditors, Dharmesh Parikh & Co., Chartered Accountants and the other auditors referred above.

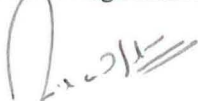

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of the report of other auditor on separate financial statements of the subsidiary as aforesaid, these consolidated annual financial results:

Commenting on the quarterly results of the Company, **Mr. Gautam Adani, Chairman, Adani Green Energy Limited** said, "One of India's major advantages is that its Renewable Energy potential is vast and largely untapped.
