Gold paste in shirt collars: 2 Maharashtra men held at Ahmedabad airport

Express News Service
Ahmedabad, July 22

THE CUSTOMS department in Ahmedabad on Wednesday said they have apprehended two passengers from Maharashtra while they were trying to smuggle 129.18 grams of gold worth Rs19.48 lakh in paste form by hiding it under their shirt collars.

They were apprehended at Sardar Vallabhbhai Patel International Airport in Ahmedabad. While one is a resident of Mumbai, the other hails from Ulhasnagar.

A statement from the department said, "Acting on specific intelligence received from the Directorate of Revenue Intelligence (DRI), officers of the Air Intelligence Unit (AIU), Ahmedabad Customs, intercepted two male passengers who arrived from Dubai at Ahmedabad on July 22 by Flight No. 6E-1478."

Rs 1.13 cr smuggled gold seized at airport

The customs department said gold jewellery worth Rs 1.13 crore was seized from a passenger at Sardar Vallabhbhai Patel International Airport here on Tuesday. The jewellery was being smuggled into India, they suspected.

The seized 24-Karat gold jewellery, which includes chains, pendants and beads, had a net weight of 770.33 grams.

A statement from the department on Wednesday said, "Officers of the Air Intelligence Unit (AIU), Ahmedabad Customs intercepted a male tour operator along and his clients/passengers who arrived at Ahmedabad from Abu Dhabi on July 21 by Flight No. 3L111."

"Upon detailed examination, the clients were found to be carrying 24-Kt gold items, comprising chains, pendants and beads, weighing 770.33 grams, concealed in their pockets. Preliminary investigation revealed that the gold had allegedly been handed over to them by the tour operator for clandestine smuggling into India."

The recovered gold was seized under the provisions of the Customs Act.

Forest officials warn against leopard rumours

Forest officials on foot patrol in Ahmedabad's Ghuma. EXPRESS

Express News Service
Ahmedabad, July 22

FOR THE third straight day, a leopard spotted in the residential society in Ghuma area of Ahmedabad in the early hours of Sunday remained elusive, even as the social forestry department on Wednesday urged people not to panic or spread rumours.

In one instance, a video of a "rumoured leopard" turned out to be that of a cat that crept out from under a car, even as a thermal drone camera captured images of a blue bull, a government statement said.

The department said a leopard was caught on CCTV cameras on the premises of Seren-deep Mansions in the early hours of July 20.

Following the sighting, the forest department said it carried out a recce of the area, installed cages and deployed more than 20 forest guards, foresters, veterinarians and rescuers equipped with necessary equipment to continue the intensive search.

"The leopard usually comes out during the evening and night hours and is a shy animal, and humans are not its natural prey; hence, people need not panic, but staying vigilant is necessary. The forest department team is alert and fully prepared, and an intensive search for the leopard is ongoing," the department said in a statement in Gujarati.

The department said a recent video on social media spread rumours that a leopard had been rescued from the Chandkheda area. The video was an old one shot in some other state, a release stated.

On Wednesday morning, there were talks on social media of a leopard cub rescued from under a car in another housing society in Ghuma. There was even a video of it.

However, in another statement, the department said a team of forest officials found pugmarks of a kitten when it got there.

High Court takes suo motu cognisance of police flogging, parading of men in handcuffs

Secretary of the Home Department arraigned as respondent in the matter

Aditi Raja
Vadodara, July 22

The Gujarat High Court FILE

THE GUJARAT High Court has taken suo motu cognisance of the alleged police flogging and public parading of handcuffed accused in Surat, days after an advocate urged Chief Justice Sunita Agarwal to intervene in what he called a "disturbing and shocking" violation of constitutional guarantees. The Secretary, Home Department, has been arraigned as the respondent in the matter.

The action follows a representation made on July 14 by advocate Utkarsh Dave, who sought immediate judicial scrutiny of videos circulating on social media that allegedly show Surat Deputy Commissioner of Police Rajdeepsinh Nakum, accompanied by 15 to 20 police personnel, parading handcuffed accused persons on public roads and repeatedly assaulting them with lathis. The representation alleges that the accused were "dragged by their hair, slapped and beaten in full public view under the supervision of senior police officers."

Dave's representation to the Chief Justice describes the conduct as a "blatant violation" of Articles 14 and 21 of the Constitution, arguing that no police officer has the authority to punish an accused before trial, and that the power to investigate an offence cannot be converted into a licence for summary punishment or public humiliation. It draws on the Supreme Court's ruling in D K Basu vs. State of West Bengal, the foundational precedent on custodial safeguards, and cites the Gujarat High Court's own observations in the 2022 Kheda flogging case, where a similar public assault on accused persons drew judicial ire.

The representation also refers to the Gujarat Police's own departmental instructions prohibiting the public parading, humiliation and assault of accused persons and said that the incident not only violated constitutional protections but also state police regulations. Dave said that repeated incidents of similar nature erode public confidence in the criminal justice system and encroach upon the exclusive domain of courts to determine guilt and award punishment.

Dave had asked the court to call for a report from the State authorities on the incident, direct the preservation of CCTV footage and other electronic evidence relating to the episode, and pass appropriate directions to prevent recurrence.

The Surat episode is not an isolated approach by Dave to the courts on this issue. Earlier this year, he moved the Supreme Court separately, seeking nationwide directions to curb custodial torture and police brutality against accused persons while in police custody.

With the High Court now initiating a suo motu petition in the matter, the State government is expected to be called upon to place its response on record in the coming weeks, including any departmental action taken against the officers seen in the videos.

'Breaking Bad' in Ankleshwar: MD unit busted, drugs worth Rs 30 lakh seized

Express News Service
Surat, July 22

THE SURAT Directorate of Revenue Intelligence (DRI) on Tuesday night seized banned Mephedrone drugs worth around Rs 30 lakh and arrested three persons from a residential society in Ankleshwar town in Gujarat's Bharuch district.

The three arrested accused, including a chemical engineer and two Chemistry graduates, were on Wednesday produced before an Ankleshwar court, which sent the trio to DRI custody till Thursday afternoon.

The accused have been identified as Aman Mandal, Bittu Patel and Abhishek Yadav, all residents of Ankleshwar.

The arrests were made during a raid carried out by DRI personnel at the house in residential society in Ankleshwar town following a special intelligence input.

During the raid, the DRI seized 1.349 kg of mephedrone and chemicals used for preparing the MD under the provisions of the Narcotic Drugs and Psychotropic Substances (NDPS) Act, 1985.

DRI said the accused set up a laboratory in their house in the residential colony. The seizure of essential chemicals and apparatus for the same indicates that they were preparing for a significant expansion in production capacity, officials said.

Mephedrone is a highly addictive synthetic psychotropic substance that has emerged as one of the most abused stimulant drugs in India. It has been notified as a psychotropic substance under the NDPS Act, 1985, which makes its manufacture, possession, sale, transportation and trafficking illegal except for legitimate scientific or medical purposes.
