Summary of the Work Performed as the Basis for our Assurance Conclusion

A reasonable assurance engagement involves performing procedures to obtain evidence about the Global Tax and Other Contributions. The nature, timing and extent of procedures selected depend on professional judgment, including the assessment of risks of material misstatement, whether due to fraud or error, in the Global Tax and Other Contributions. In making those risk assessments, we considered internal control relevant to the preparation of the Global Tax and Other Contributions.

Our procedures include understanding the process adopted by the Company in preparing the Global Tax and Other Contributions, reviewing basis of preparation, and issuing Independent Assurance Report on the Global Tax and Other Contributions.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Our Conclusion

In our opinion, the Global Tax and Other Contributions for the financial year 2025-26 is properly prepared, in all material respects, in accordance with the Basis of Preparation.

Restriction on Use

We are appointed to only verify the Global Tax and Other Contributions in accordance with the Basis of Preparation of AGEL shared with us and are not the auditors of AGEL and BDO shall not be liable to the Company or to any other party for any claims, liabilities or expenses relating to this report. Any party other than AGEL who obtains access to our report or a copy thereof and chooses to rely on our report (or any part thereof) will do so at its own risk. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or, into whose hands it may come without our prior consent in writing.
